Logitech G G515(920-012538)

Logitech G G515 - Keyboard - LIGHTSPEED - TKL - backlit - wireless - 2.4 GHz, Bluetooth, USB - QWERTY - US International - key switch: GL Tactile - black

Experience versatility and performance with the Logitech G G515 keyboard. Designed for gamers and professionals who demand flexibility and quality, this keyboard offers comprehensive compatibility across Android, Apple iOS, ChromeOS, Mac, and PC platforms. With its advanced connectivity options, including wired and wireless modes, Bluetooth, and 2.4 GHz, it ensures seamless integration with your preferred devices. The detachable 1.8 m cable, featuring a USB-C interface, adds to its portability and ease of use.

Elevate your gaming with the G515's LIGHTSYNC backlit keys and programmable hotkeys, tailored for an enhanced gaming experience. Mechanical keyboard technology provides the tactile feedback and durability needed for intense gaming sessions. Moreover, the keyboard's construction with PBT keycaps ensures it stands up to prolonged use, making it a reliable choice for gamers and professionals alike. Choose the Logitech G G515 for a keyboard that combines performance, durability, and versatility.

Key Selling Points

Compatible with Android, Apple iOS, ChromeOS, Mac, and PC
Dual connectivity with wired and wireless options including Bluetooth and 2.4 GHz
Detachable 1.8 m cable with USB-C for easy portability
LIGHTSYNC backlit and programmable hotkeys for an immersive gaming experience
Constructed with durable PBT keycaps for longevity

Product Features

Versatile compatibility
Designed to seamlessly integrate with a wide range of devices, this keyboard supports Android, Apple iOS, ChromeOS, Mac, and PC platforms, ensuring broad compatibility that meets diverse user needs.

Advanced connectivity
Featuring both wired and wireless connectivity options, including 2.4 GHz, Bluetooth, and USB interfaces, this keyboard offers the flexibility to switch between setups with ease. The inclusion of a detachable 1.8 m cable with USB-C interface enhances portability and convenience.

Enhanced gaming experience
Equipped with LIGHTSYNC backlit keys and dedicated gaming features, this keyboard is designed to elevate your gaming sessions. The mechanical keyboard technology, combined with programmable hotkeys, allows for personalized and responsive gameplay.

Durable design
Crafted with polybutylene terephthalate (PBT) keycaps, the keyboard is built to withstand intense gaming sessions and prolonged use, offering durability and reliability for gamers and professionals alike.
