

Lenovo Preferred Pro II(4X30M86918)

Lenovo Preferred Pro II - Keyboard - USB - QWERTY - US with Euro symbol - black

The Preferred Pro II USB keyboard is very similar to those that come as standard with ThinkCenter desktop systems. It is also compatible with USB enabled ThinkStation and ThinkPad notebook systems and docks.

Key Selling Points

- Rubberized wrist rest coating provides soft support surface for your comfort
- Three operation mode LEDs located on right upper corner will be activated individually
- The three indicators have the nomenclature 'Num Lock', 'Caps Lock' and 'Scroll Lock'
- All the keys in QWERTY and NUMPAD sections are rubber dome switch keys
- Adjustable tilt legs

Product Features

Enhanced compatibility

Designed to seamlessly integrate with PC systems, this keyboard offers a Plug-and-Play experience for a hassle-free setup.

Reliable connectivity

With its wired USB interface, this keyboard ensures a stable and uninterrupted connection during critical use, eliminating the worries of battery life or wireless interference.
