Targus(ACH226EU)

Targus - Hub - 4 x SuperSpeed USB 3.0 - desktop

Connect up to four USB-A devices with this USB-C hub that delivers quick transfer speeds effortlessly.

Key Selling Points

Four USB 3.0 Type-A ports for high-speed data transfer
Compatible with Chromebooks, enhancing connectivity options
Compact desktop design for easy integration into any workspace
Supports data transfer rates up to 5 Gbps for efficient file sharing
Plug-and-Play functionality ensures a hassle-free setup

Product Features

Efficient connectivity
The Targus USB hub offers a seamless connection experience with its four Type-A USB 3.0 ports, enabling high-speed data transfer rates of up to 5 Gbps. This feature ensures that users can connect multiple devices simultaneously without compromising on speed or efficiency.

Chromebook compatibility
Designed to work with Chromebooks, this USB hub is perfect for users seeking to expand their connectivity options. Its compatibility ensures a reliable connection for all your peripherals, making it an ideal choice for both personal and professional use.

Compact design
With its desktop form factor, the Targus USB hub is engineered for convenience and portability. Its compact size allows for easy placement on any workstation, ensuring that users can maximize their desk space while enjoying expanded connectivity options.
