Logitech G G413 SE(920-010437)

Logitech G G413 SE - Keyboard - backlit - USB - QWERTY - US International - black

Upgrade your gameplay experience with the Logitech G413 SE full-size mechanical gaming keyboard. It delivers a gaming-grade mechanical switch experience. It's designed to help serious players perform at a higher level and push themselves even further. The G413 SE features tactile mechanical switches, PBT keycaps, six-key rollover anti-ghosting performance, an aluminum top case with white LED lighting, 12-function key media controls, and reliable USB-corded technology. In short, the gaming-first features you need to put more perfect performance within reach.

Key Selling Points

Reliable USB corded connection
FN key media controls at your fingertips
Tactile mechanical switches for a gaming-grade experience
Super-durable, fade-resistant PBT keycaps
Brushed aluminum top case for minimum flex and maximum durability
White LED lighting enhances focus and clarity

Product Features

Enhanced Durability
Crafted with polybutylene terephthalate (PBT) keycaps, the Logitech G413 SE keyboard offers exceptional durability and resistance to wear, ensuring performance for all your gaming and typing needs.

Precision Gaming
With anti-ghosting technology and the ability to register up to 6 simultaneous key presses, this keyboard is engineered for precision and reliability during intense gaming sessions.

Elegant Illumination
The white backlit keys not only enhance the aesthetic appeal of the Logitech G413 SE but also improve visibility in low-light conditions, allowing for a seamless gaming experience at any time of the day.
