

Logitech MX Keys S(920-011588)

Logitech MX Keys S - Keyboard - backlit - wireless - Bluetooth LE - QWERTY - US English - key switch: Scissor-Key - pale grey

Experience a new level of flow state with MX Keys S.

High-performance keyboards, engineered for comfortable, fast, fluid typing, with smart illumination, and programmable keys.

Key Selling Points

- Fast fluid precise typing
- Smart illumination made smarter
- Ergonomic design
- Multi-device multi OS
- USB-C quick charging

Product Features

- Fast fluid precise typing**
Type with confidence and speed with spherically-dished keys shaped for your fingertips, minimizing the chances of a mistype, while increased key stability reduces noise.
- Smart illumination made smarter**
Backlit keys light up when your hands approach the keyboard and automatically brighten or fade to suit your environment.
- Ergonomic design**
The low-profile design and optimum angle for a natural wrist position, provides effortless precision and longer hours of typing comfort.
- Multi-device multi OS**
Easily switch between up to 3 devices at the push of a button.
- USB-C quick charging**
Stays powered for many days on a full charge or many months (backlighting turned off). Charge while you work with the included USB-C charging cable.
