Product Features

Save time and money

This economical printer allows you to print a lot of high-quality photos with one set of ink bottles.

Modern flexibility

With full Wi-Fi, Wi-Fi Direct, and Ethernet connectivity, you can easily integrate this printer with your existing home set-up. You can also print from SD cards and USB flash drives through the color touchscreen.

Artistic media compatibility

The ET-8500 has photo-size and A4 front paper trays plus will print directly to suitable CDs/DVDs. The rear tray accepts specialty media such as craft papers and card, whilst the A4 straight paper feed means you can print on thick and long media!

Epson smart panel app

This app enables you to control your printer from your smart device. Print photos, copy documents, set up and troubleshoot your printer, and let your creativity flow with a wide range of artistic templates.

Heat-Free technology

With Heat-Free technology you can enjoy consistent high-speed printing with greatly reduced energy consumption so you can save time and money.
