

## OtterBox React Magnets Samsung Galaxy S26 Ultra (77-99943)

### OtterBox React Series - Back cover for mobile phone - clear - for Samsung Galaxy S26 Ultra

The OtterBox React Series protective cover offers a sleek and stylish design that ensures your cell phone is well-protected. Its one-piece design features raised edges and textured edges, providing a comfortable grip while safeguarding your device from accidental drops and scratches. Built-in magnets enhance the functionality of the case, while the ultra-thin profile maintains low bulk for easy handling. With DROP+ technology and a precision fit, this case provides reliable drop, camera, screen, and scratch protection. Made of 40% recycled plastic, this case is a functional choice and an environmentally conscious one as well.

### Key Selling Points

- One-piece design for convenience and simplicity
- DROP+ technology for reliable drop protection
- Built-in magnets enhance functionality
- Ultra-thin profile for easy handling
- Made of 40% recycled plastic

### Product Features

- Durable design**  
The protective cover features a tough construction designed for rigorous use, ensuring your cell phone can withstand the daily challenges of life.
- Enhanced protection**  
With drop, camera, screen, and scratch protection, this case provides comprehensive safeguarding for your device, keeping it safe and secure.
- Precision fit**  
The case is designed with a precise fit that aligns perfectly with your cell phone, allowing easy access to all buttons and ports.
- Environmentally friendly**  
Constructed from 40% recycled plastic, this case contributes to sustainability without compromising on protection and style.
- Textured edges**  
Textured edges provide a better grip, reducing the chances of accidental drops while enhancing the overall aesthetic of the case.
