Lenovo ThinkVision T32h-30(63D3GAT1EU)

Lenovo ThinkVision T32h-30 - LED monitor - 31.5" - 2560 x 1440 WQHD @ 60 Hz - IPS - 350 cd/ m² - 1000:1 - 4 ms - HDMI, DisplayPort, USB-C - raven black

The ThinkVision T32h-30 monitor is a digital canvas that supercharges your productivity effortlessly, making your best work look even more stunning and awe-inspiring. Sit back and let your finest work take shape on this generous 31.5-inch In-Plane Switching QHD screen, made even more expansive by a 3-side NearEdgeless design. Work on the finer details effortlessly with the incredible picture quality afforded by its 99% sRGB color gamut that works to give you a visual experience that's rich, sharp, vibrant, and true to life. Manage multiple files side-by-side, compare images and data sheets, switch between windows, and exhibit your work proudly on this wider-than-ever In-Plane Switching screen that affords uniform picture quality irrespective of viewing angle. Want more room to work your magic? Then hook it up in a multi-monitor setup. Can't get your eyes off the monitor because of its dazzling display and your heavy workload? No problem! Your eyes are protected with the ThinkVision T32h-30 monitor's Natural Low Blue Light technology that cuts out harmful blue light emissions without compromising color fidelity. Connect, share, surf, and supercharge your multimedia experiences with USB Type-C, HDMI, DP, and RJ45 ports. Take it up a notch with the monitor's modular camera and soundbar support for superlative video conferencing quality. Work on the fast lane, plug in, and power up swiftly with the USB-C PD 90 W port. Beefed up with a Smart Power function for dynamic power distribution with connected devices, that lowers energy power consumption while boosting performance. You might be tempted to spend long hours in front of a monitor this fast and fabulous but you won't feel the strain on your back and neck as it tilts, swivels, pivots, and lifts to conform to your optimal viewing and seating position. You can also VESA mount the monitor to a wall and save precious desktop space for more important things. If you're particular about being environmentally conscious, then rest easy, because the ThinkVision T32h-30 monitor adheres to the TCO 9.0 regulations. All-in-all, the ThinkVision T32h-30 monitor packs in incredible display clarity and rich colors along with all the ports you need to make your work move fast and look fabulous.

Key Selling Points

Delightful, thoughtful display
Connect to some superpowers
Put your mind and body at ease

Product Features

Delightful, thoughtful display
Display your best work on the ThinkVision T32h-30 monitor's ultra-wide In-Plane Switching screen made even more generous with its distraction-free 3-side NearEdgeless design and multi-monitor support. And if that's not enough to make you gaze at it a little longer, its 2,560 x 1,440 resolution QHD display gives you rich immersive views with incredible clarity and detail, backed by a 99% sRGB color gamut. The ThinkVision T32h-30 monitor's Natural Low Blue Light technology reduces harmful blue light, so you don't strain your eyes despite the hours you'll be tempted to spend before it.

Connect to some superpowers
Speed and connectivity will be your allies with the ThinkVision T32h-30 monitor's wide range of connectivity options. The monitor's USB Type-C, the one-cable solution helps you transfer data in a flash. It also performs as a fast charger with 90 W support and a Smart Power function that dynamically manages the energy consumed across connected devices. Supercharge your connectivity options with the monitor's HDMI, dedicated DP 1.4, and RJ45 ports. Supersize your video conferencing and multimedia experiences with the ThinkVision T32h-30 monitor's modular camera and soundbar support.

Put your mind and body at ease
ThinkVision T32h-30 monitor is designed to put you at ease. Its ergonomic stand is highly adjustable and offers an increased lift range so you can lift, tilt, swivel, and pivot the monitor to meet your most comfortable working posture. Add to that an optimal lowest position that is designed to make every user feel comfortable. You can also VESA mount the monitor to keep your desk clutter-free. If you're environmentally conscious this monitor will put your mind at ease too, as it stays up-to-date with the TCO 9.0 regulations that meet stringent ecological standards.

Main Specifications

Product Description	Lenovo ThinkVision T32h-30 - LED monitor - 31.5"
